1989 | 9,50 m | grp

### BROKER'S COMMENTS

"Dick Rus Jachten BV is an established name in the Dutch Yachting industry. Known for their performance under sail, not surprisingly due to the fact Van de Stadt & Partners did the design, and quality in build and construction, the 9.50 is especially a very much appreciated yacht by many. Ideal for the family who want to sail in comfort and style and every now and then leave the competition in their wake. "
