1990 | 12,50 m | grp

BROKER'S COMMENTS

"Introduced in the latter part of the eighties, the Voyage 12.50 was an instant success because of her large and friendly interior space, beamy hull, swept lines and large deep cockpit. There are three separate cabins, ample seating and large galley. Owners cabin with own head/shower, the two aft cabins have their own washbasin and share one head/shower aft. "Neptunus III" has been kept in a good condition. She's fully equipped."
