1979 | 10,46 m | grp

### BROKER'S COMMENTS

"Upon introduction in 1978, the Fisher 34 set the benchmark for the definitive design for a very successful motorsailer. The yacht builders from Fairways Marine (later Northshore) have been building these typical Baltic Sea type motorsailers for many years. "Penelope" is just on the market, she's in a very good shape, complete with an engine of 2001 and a complete set of sails of 2000."
