

HOOD 38 MK II

1982 | 11,60 m | grp

BROKER'S COMMENTS

"This Hood 38 has the Mark II improved interior layout and companionway. With her centreboard configuration (1,40/3,30m), this Ted Hood design is extremely suitable for any sailing area you wish to choose. Very spacious interior with excellent headroom and long berths will surely be appreciated. Although her lines seems classic, her performance is certainly not. That is why she is interesting for those who wish to cruise in- and offshore."
