

GRANADA 375 ATLANTICA

1987 | 11,40 m | grp

BROKER'S COMMENTS

"The Granada 375 is a well balanced design that sails and handles well. She was built with the renowned Scandinavian build quality and has lots to offer. Inside the interior is well finished and provides for good storage space and headroom. Outside the deck layout is well conceived where all halyards and sheets are lead aft into the cockpit for optimum handling comfort."
