BROKER'S COMMENTS

"This Bommelaer 47 Sedan "Hollandia" is the ideal yacht for a longer stay on board or for your discovery tour through Europe. She is fully isolated, equipped with double glazed windows, Kabola central heating, spacious cabins, good storage space, hydraulic bow- and sternthruster, spud poles, solar panels, large tanks etc.. This Bommelaer is also very suitable for exploring the French canals due to her low air draft of 2.80 meter. Everything has been considered to create the ultimate travel yacht."
