

NOORDKAPER 47

2001 | 15,52 m | steel

BROKER'S COMMENTS

"Beautiful sturdy round bilged classic Noordkaper 47 designed by Martin Bekebrede. Built in 2001: hull by Mekon, installations by Gebr. van Enkhuizen and carpentry by Sudsee yachting. She is a tough ship with incredible space, perfect for living on board and sail longer trips. Easy handling by one person. Nice open cockpit, spacious upper deck. The whole yacht is beautiful finished and well equipped; for example with a hydraulic bow thruster and windlass, electric winches and a Whisper generator.
