### BROKER'S COMMENTS

"The Vedette 10.30 Cabin has a functional open cockpit and is built by the Vedette Yard in Ter Aar. Due to her low air draft of 2.40 meters, she is very suitable for discovering the European inland waterways. She is equipped with a Nanni 60 Hp diesel, Vetus bow and stern thruster, electric anchor winch, Webasto hot air heating, V bed, large galley, sleeping cabin with separate shower. This Vedette 10.30 is in new condition and can be viewed in our covered sales hall in Sneek."
