2004 | 16,80 m | steel

### BROKER'S COMMENTS

"The Valk Voyager 16.80 is a unique ship. The livable space is extended and improved, due the extension of the cabin and the leveled floor. The ship has all comforts; like a tv, kitchen with microwave, fridge and cooker. The Voyager 16.80 has three bedrooms and a integrated vacuum system." **Arjen Hoeksma**
