

PACIFIC ALLURE 170

2004 | 17,40 m | steel

BROKER'S COMMENTS

"The Pacific Allure 170 just came from the shipyard and dried her paint! After a full paint job, new batteries and with her enhance equipment, the Pacific is looking for a new owner and new adventures. The twin engines, air-conditioning, central heating, autopilot, double glazing and generator make it very comfortable on board. Therefore it is possible to make large trips or live aboard. You can visit the Pacific Allure 170 seven days a week at our sales office in Loosdrecht."
