BROKER'S COMMENTS

"MYABCA, this good looking yacht shows a lot of similarity with the design of the well-known Spanish fishing ships. These fishing ships are known for their seaworthiness, and were therefore the example in the design of the MYABCA. This sturdy looking motor yacht is ideally suited for the sailing the bigger waterways. The equipment of the 'Duke' shows a.o. a generator and airco. The engines are overhauled in 2018.
