

VAN AARSEN 14.90

1970 | 14,90 m | steel

BROKER'S COMMENTS

"The Van Aarsen 14.90 is a very special and unique ship. What started as a joke between the owner of a machine factory and his friend who was a boat designer resulted in building this yacht. The Nancy can host 4 guest and the spacious interior and large cellar makes her also very suitable to live on. Due to her twin engines and bow thruster the Van Aarsen 14.90 is very easy to maneuver.
