1991 | 12,50 m | steel

BROKER'S COMMENTS

"This Rijnlandvlet 1250 GS AK is a sturdy, robust and beautifully lined ship built in 1991 by "de Volharding" from Zwammerdam. Due to the refit in 2012, this Rijnlandvlet offers the timeless appearance of a classic vlet and comfort to the current standard. The Rijnlandvlet is spacious with two cabins, wide saloon and dinette with galley. Extremely suitable for a longer stay on board outside the harbour thanks to the generator, powerful solar panels and a water tank of over 1000 litres. "
