

## CONDOR 123

1985 | 12,30 m | steel

### BROKER'S COMMENTS

"Interior completely overhauled in 1996. Perfect for long time cruising the inland waterways. Her outside steering position in combination with the aft deck gives a lot of outdoor living space. The new interior has a very good layout. Because there is no inside helm the saloon is particularly large for a yacht of this size. Well equipped and highly recommended for living on board."
