

BOORNCRUISER 365

2002 | 10,80 m | steel

BROKER'S COMMENTS

"The Boorncruiser is built by one of the most experienced yachtbuilders in The Netherlands. Apart from her attractive design she is also finished to a high standard. When the current owner had his boat built he ordered every possible option he could think of. Save more than EUR 50,000 compared to a new Boorncruiser with same specifications!"
