

JONGERT 2700 M

1997 | 26,70 m | aluminium

BROKER'S COMMENTS

"Built by Jongert and designed by Doug Peterson this stunning aluminum yacht offers both performance as well as cruising class. With her carbon mast , 'parc avenue' boom , all hydraulic Reckmann furling system and Lewmar self tailing winches she will bring you anywhere in pace and grace. Her first owner is retiring from yachting and wants her sold. Maybe that is why she is the best priced 2700M on the market!"
