1976 | 12,33 m | grp

BROKER'S COMMENTS

"The Trintella built by Anne Wever in Holland is a beautiful sturdy ocean going Yacht. Trintella's reputation for safety and workmanship make these Yachts very sought after. Very sturdy and ocean going yacht built to the known quality of Trintella-Yachts. GAROFANO has only been sailed at the Mediterranean and is ready to go. The berth can also be taken over to separate negotiations."
