BROKER'S COMMENTS

"Perhaps the most beautiful Sunseeker Camargue 55 there is. This ship has been completely refitted by the current owner from 2016 to 2021. In doing so, there is nothing that has not been addressed. Every detail has been thought through, from painting to upholstery. In 2019, the Detroit engines were completely overhauled. In short, the 1993 year of construction is actually obsolete. In addition, this is the only one of this series with a hardtop. You will certainly be amazed by the condition of this
