### BROKER'S COMMENTS

"The Bruijs Coaster 1400 was Motoryacht of the Year in 2012. This Dutch built sturdy steel yacht is designed by Willem Nieland. She has a professional appearance however she offers all accommodation and comfort you expect on a yacht. Also very suitable for coastal as well as the inland waters even going down inland to the south of France. She is well built by "Bruijs Jachtbouw" a yard in the southern part of The Netherlands with more than 60 years experience." **Tom Reith**
