BROKER'S COMMENTS

"The Century 100' is a declaration of principles for the new and updated era adapted to today's yachts. This is an extremely manoeuvrable ship with megayacht features. It is designed for large groups of family or friends who want to experience the open air with adjustable sunbeds on the bow and the stern, teak decks, and everything needed for outdoor living. The flybridge also makes it possible to enjoy the sea in all types of weather conditions." *Juan Sánchez*
