BROKER'S COMMENTS

"This yacht has undergone a complete refit during the past 4 years. Starting with brandnew Yanmar engines, complete new interior and ending with brandnew electronics and sound system. The owner has taken a thorough eye on keeping up the design of RIVA interior and exterior. On the technical side, she is new, on the design side this yacht is classic. There is more info available. Please don't hesitate to request." **Jürgen Jacobs**
