BROKER'S COMMENTS

"Versatility best describes this well equipped Hunter 466. Whether your intention is to cross the bays or the oceans, the Hunter 466 is up to the task. The sleek hull form is powered by an easy to handle B & R rig with a large main and small jib. With all lines led aft and a stainless arch to mount the traveler on, this rig is safe and a breeze to handle with just two aboard. The aft cockpit offers great visibility, plenty of storage and a custom console to house your electronics." **Zoë Ann Clark**
