### BROKER'S COMMENTS

"A very fully equipped 17.5-metre Valk Voyager. This vessel has all the conveniences for partial or permanent living on board; double glazing, Kabola heating and hot water system, washer-dryer combination, dishwasher and even a sewage connection. Over the past three years, much has been invested in the ship to make her habitable for longer periods of time. Starting, bow and stern thruster batteries are double and the service package consists of two (non-flammable) MG lithium
