

VRIPACK KOTTER 1300 AK

1997 | 13,00 m | steel

BROKER'S COMMENTS

"The Vripack Kotter "Buijzer" is a sturdy motor koter with a characteristic Vripack appearance that can withstand heavy weather. This motorcutter has a cozy teak interior with two spacious cabins, has a heavy bow thruster and a 120 Hp Daf 615 diesel. Due to the limited passage of 2,80 m you can reach a very large sailing area with this motor koter. If you are interested in viewing this koter, you can do so in our covered sales haber in Sneek."
