

FEADSHIP VAN LENT

1936 | 12,00 m | steel

BROKER'S COMMENTS

"This yacht was built to order in 1936 at C. van Lent & zonen on the Kaag (now Feadship Royal van Lent). The yacht has been in the possession of 3 generations of the same family for 85 years. The yacht was refitted with an open checkbook in 2007. The complete hull was sandblasted. And all the equipment including the engine were renewed. This of course without losing the feel and vibe of the 1930's. The Elft is part of the Feadship Heritage Fleet, all of the ship's original documents are kept in
