BROKER'S COMMENTS

"The Norwegian Lifeboat has served as a lifeboat early in her life. In 2007, the owner commissioned Scheepswerf Kok to rebuild the entire ship. The result is impressive, a sturdy ship, heavily built, finished with teak. The ship can easily accommodate 15 people, so ideal for a day trip on the IJsselmeer or even better, with her air draft of 1.50 m, through the canals of Amsterdam. You are most welcome to come and view the ship." *Mark Hesselmans*
