### BROKER'S COMMENTS

"Serafina II is an extremely versatile passenger vessel which has benefited from a significant professional re-fit in 2020 converting her to 100% electric propulsion. She has a current MCA Class V Passenger Certificate and is licenced to carry up to 60 passengers. The interior of the vessel benefits from large skylights and a retractable roof at the bow. With low air-draft Serafina is able to navigate waterways with restricted bridge heights. She is road transportable and could therefore be
