BROKER'S COMMENTS

"This charming and rugged vintage Valkvlet 1230 OK/AK was refitted recently where one of the major jobs was installing new navigation equipment replacing her fenderrope repainting the complete yacht and removing the teakdecks. With a cockpit, Aft, fully opening aft doors to the saloon. Equipped with a Daf 615 diesel. Valk vlets by Jachtwerf Valk Franeker are a very well established type of traditionally lined motor yachts from designer Gillissen. Able to cruise on the inland waterways and coastlines
