BROKER'S COMMENTS

"The Conrad 91 is a sailing yacht of which there are very few available on the market. Unique modern design, excellent sailing performance, spacious cockpit and below decks space not often found on a 90 foot sailing yacht. Aimed at optimal performance, with a carbon mast and high tech sails. With an aluminum hull and carbon mast, this yacht has low fuel consumption, resulting in a low carbon footprint and a cost-effective voyage. Be convinced by a viewing and make an appointment now!
