BROKER'S COMMENTS

"A boat for people who like comfort, safety and performance all in one. This make has been named as the "unsinkable yacht" due to its double hull construction. The designer has taken into consideration the practicalities necessary on a 32ft boat and presented you with the 32S. She comes prepared for Short-handed sailing and all rigging and sailing controls have been led to the aft of the cockpit to enable safe and easy handling." *Hartmut Ross*
