BROKER'S COMMENTS

"Built by the experienced (est. 1982!) and well appreciated Galeon Boatyard, the Galeon 380 Fly was a success upon introduction. Contemporary styling, solid construction and a real fun motor yacht to own. With her aft situated engines, the ride is comfortable and sporty. With the added bonus of lower engine noise. This 380 is equipped with the 2 x 260hp diesels adding a lot of performance and handling. Moulded comfortable stairs to the flybridge and wide side decks for her overall length. Currently
