

SUPER VAN CRAFT

1967 | 15,80 m | steel

BROKER'S COMMENTS

"In Holland a Super van Craft need's no introduction. Beautiful lines, great comfort on deck as well as below decks and ofcourse this "lady" is very easy to handle thanks to her smoothly running engines and her bowthruster. Three cabin layout with a nice saloon and kitchen with dinette, double heads and great sofa on the aft deck. She comes with a complete new paint job and newly varnished superstructure. This is quite a special boat. rare to find a classic with such beautiful lines. "
