1982 | 19,67 m | aluminium

BROKER'S COMMENTS

"This Robert Clark 64 is an unique classic and perfect maintained Blue Water Cruiser, which has been very good taken care of, with a great eye for details, by her current and previous owner. Their investments (a total EUR900,000 since 2005) reflects in an impressive list of completed projects. Only the classic line shows that she was built in the past. She offers a very nice saloon in the aft, 3 cabins and she is easy to sail with a small crew. The pilot house is a fantastic asset, both for watch
