BROKER'S COMMENTS

"If you have a need for speed, do not look further! This 46ft rigid monoblock hull is fitted with 2x 480HP Volvo engines, driving the Arneson sytem surface drives with Rolla stainless steel propellers, that shoots the boat with a top speed of 50 kts across the water. Even the cruising speed is a breathtaking 42 kts. She is very well maintained and has only 420 hours on the engines. She can take 18 passengers for a thrilling ride across the sea. making her ideal for chartering or a large family." **Reinoud**
