BROKER'S COMMENTS

"The Nordship 35 DS is a good example of a quality yacht with a clever layout with maximum space and comfort. This beautiful decksaloon is finished to the highest standards and offers all the comfort you could be looking for. She offers a sheltered steering position together with a comfortable deck saloon for all weather sailing. Her relatively shallow draft makes it also possible to pass most of the Dutch inland waters. She is located at our sales office in Sint Annaland and can be visited 7 days a week." **Joris**
