BROKER'S COMMENTS

"Mary af Rövarhamn is a 40-foot Joshua-type steel ketch, a vessel that carries the soul of legendary adventures and conquers the hearts of those who sail her. Proportionally overdimensioned in every detail, she offers strength and safety in any weather. And inside, an interior that surprises with its timeless beauty, a warm and inviting haven of mahogany charm that feels like home, even in the farthest corners of the world."
