BROKER'S COMMENTS

"This Altena Blue Water Trawler 'Ushuaïa' has been well tackled by her current owners over the years. The teak deck has been completely replaced (2021), all upholstery has been replaced (2021), the entire ship has been repainted, the underwater hull has been sandblasted and this year she was fitted with a Hydronautica EMC/RMC system and new mattresses in the owners' cabin. The Altena Blue Watertrawler is a yacht with good sailing characteristics for inland & offshore waters." *Ian Pols*
