1991 | 15,86 m | grp

BROKER'S COMMENTS

"Sunseeker always produce stylish and well-built craft, and the 52 Caribbean is no exception. Its looks are distinctive, performance is more than adequate, and seakeeping is good. The interior provides a good balance between entertaining and living areas, and there is plenty of open-air space. The interior is in very good conditions while the exterior shows some weathering. Available for viewing in the province of Almeria."
