

AQUANAUT UNICO 1100

1995 | 11,40 m | steel

BROKER'S COMMENTS

"This Aquanaut Unico "Lady van Dalen" is in all respects a serious boat. The rounded shapes ensures a sturdy look coupled with elegance. The multi-chine form of the underwater hull, and the long box keel, result in excellent course keeping and stability. Above the waterline totally painted with 2 comp. sikkens (2003) This yacht is very complete. The provision of exceptional strong internal stiffening also ensures minimal vibration and low noise levels. "
