BROKER'S COMMENTS

"The Jouet 1280 designed by Yves Mareschal in France has a very roomy layout with a spacious owner's cabin and a bright pilot house with panoramic views. A very strong built ketch which offers a safe and comfortable cruise for up to a crew of six. A sectioned cockpit allows space to relax and navigate. Fairly young engine and sails make this Jouet 1280 a reliable companion at sea. Available on the hard stand in South Spain."
