

STENTOR LUXE MOTOR 21.50

2006 | 21,50 m | steel

BROKER'S COMMENTS

"This beautiful luxury Motor was built by Stentor in Romania. She is equipped with CE-A approval and DMS Magnusmasters, allowing the vessel to be used on inland & offshore waters. Furthermore, the ship is luxuriously finished inside and equipped with 2 cabins, spacious saloon & kitchen, sanitary facilities. Technically this luxury motor is very complete, such as Radio Holland navigation equipment, John Deere main engine, Kohler generator, Ankreo spud pole in foreship, etc." **Ian Pols**
