SUPERMARINE - SWORDFISH 36

BROKER'S COMMENTS

Absolutely stunning and excellent builded Swordfish 36. She can reach speeds up to 36 knots with her twin diesel 420hp engines. Due to her navigation instruments and extra options she is perfect for short and long trips. Inside you will find two cabins with a ensuite bathroom and there is a fully equipped galley. She has been maintained very well and she is in top condition with only 600 engine hours.
