GRAND SOLEIL 46

BROKER'S COMMENTS

The Grand Soleil 46 as each Grand Soleil designed by the ingenious Alain Jézéquel, has been considered since the beginning among the best models of the Yard. Her classic shape, with moderate overhangs and elegant sheer line gives her a timeless taste that has been always compared to the Swans from Nautor. She can comfortably accomodate six people with a class and an elegance out of reach for modern production boats. This unit has been very well kept and is the best deal on the market.
