

BAGLIETTO MAIORCA

BROKER'S COMMENTS

It's a historical motor yacht representing the quintessence of Italian shipyards. This beautiful Maiorca is unique with only three built by Baglietto in 1962. Baglietto is the oldest brand in the yachting industry still existing after 160 years. With plenty of space and light, she can accommodate up to 8 guests. The splendid interior, made of mahogany and the flybridge offer wide space to spend time with family and friends. It's a great opportunity to own a yacht of exception.
