ISLAND PACKET 485

BROKER'S COMMENTS

This Island Packet 485 is in a very good condition, provides enormous living space, plenty storage to hold gear for a circumnavigation, enough sail to speed you comfortably to your destination and the convenience of managing it all from the cockpit. Below deck on the Island Packet 485, you'll be immediately impressed by the panoramic view of the open main saloon, the spacious forward and aft cabins with private heads, the solid teak and oak soles throughout, a large galley, a multi-use third stateroom and a navigation center that rivals those on much larger yachts.
