NAJAD 373

BROKER'S COMMENTS

A Najad is one of the quality brands from Sweden. The 373 is a well balanced center cockpit yacht for a small crew, great seagoing qualities and beautiful carpentry. A 373 has oversized items like extra large winches and a heavy engine of 53 Hp. This example is well equipped with a removable cutterstay, battcars on the mast and a bowthruster.

Stef Struijk
