# BERMUDA KETCH SECNI 55

## BROKER'S COMMENTS

This Steel Double Ender is a well designed Bermudan Ketch rigged welded steel yacht she is round bilged and with a long keel. She has a Canoe stern in classical double ender shape. Regarding her age the yacht is in a very good state of maintenance because her owners lovingly take care of her and spend all the money necessary to keep her in spanking condition. She has comfortable accommodation for extended bluewater cruising arranged in forward, amid ship and aft cabins with large saloon and galley area. She has 4 double cabins and 2 heads. She was last surveyed in 2006.

*John Venner*
