VIKNES 1030

BROKER'S COMMENTS

The Viknes 1030, built in Norway to withstand the rigours of the North Sea, is a comfortable two cabin offshore cruiser. This Viknes has only one owner since new and is well maintained. With a fully enclosed and heated decksaloon she is suited for all year round cruising. With her bow thruster, stern thruster and second helm station in the cockpit she is very easy manoeuvre as well.
