## BROKER'S COMMENTS

Surprisingly spacious open cockpit motor yacht from Bruijs Jachtbouw. Excellent build quality, good equipment list with useful extras. Heavy duty built in 5 and 4 mm. Lots of stainless steel on deck for easy maintenance. The open cockpit is at one level with the deck salon/pilothouse. Lots of stowage space below the cockpit floor with extra space beneath the cockpit seats. Owner cabin with centerline double berth and ample size bathroom with separate shower. Good access from cockpit to the deck forward and a large transom door for easy access to the bathing platform. One owner from new.
