GRAND BANKS 47 HERITAGE EU

BROKER'S COMMENTS

Grand Banks actually does not need an introduction. They have set the benchmark for many years with optimum build quality, finishing and irresistible designs. With the introduction of the new hull design by Sparkman & Stephens for the new Grand Banks 47 EU, the world famous Grand Banks yard took the next step in combining their proven trawler concept with the latest innovations in hull design. This GB 47 has seen little use, comes fully equipped with the best options and has the three stateroom interior layout.
